In The New Edison

The World's Greatest Impentor,

Edison has verily developed a new art-Music's Re-Creation. His invention is not to be compared with the familiar talking machine. The comparison to which Mr. Edison and we invite you is a comparison with the original singer's voice. No one else dares attempt such a test-WHY? Come to our conservatory and hear Thos. A. Edison's Re-Creation of the following artists, among others:

Karl Jern, Tenor One of the world's leading German operatio tenors

Marie Sundellus, Suprans Metropolitan Opera Company.

Athert Spalding, Violin America's greatest visitalst,

T. Fester Why, Bass A very popular American contest

here. Recal Fish, Tenor Prominent in light opera consert Arthur Callins, Comedian Bartlone singer of ragiline and dis-
